

I'm delighted to welcome everyone back to school. It is wonderful to see all of your faces again. I hope you had a wonderful summer and are ready for an exciting school year ahead. A lot of exciting things are awaiting you all!

Once again, this year I will oversee our Phonics programme for all P1, P2 and P3 students.

In P.1. and P.2. the focus will be on Phonics. We want all of our children to be confident readers and will work on reading strategies to help children on their reading journey. Phonics lessons are fun that involve lots of speaking, listening and games where the emphasis is on children's active participation.

In P3 the focus will be on Guided Reading and I'm very much looking forward to it. We will build upon the skills children mastered last year and helping the children accomplish new challenges. Reading opens the door to learning and our aim is to ensure that all our children have a love of reading.

I will continue to try to make the English classes more interesting as well as easier, so that each child understands as well as enjoys them.

Starting a new year can be tough, it's true but you have everything you need to succeed inside you. The new school year brings you newer opportunities to shine!

Best wishes for the new school year!
