

Dear 2C students,

I'm glad that I can be your class teacher this year!

Charlotte, **Yannis**, **Neeko** and **Casper** enjoy learning as they love to answer all the questions and always raise their hands during lessons!

Angie and **Marina** are polite. Magic words, 'Thank you' and 'Please', are what they often say!

Karson, **Karina**, **Betela** and **Morris** wear lovely smiles on their faces which brighten up my day.

Louis, **Nemo**, **Kelly** and **Sharon** are helpful and bright. They are great monitors and monitresses.

Hanna and **Chloe** always show their love and care to others.

Loveleen, **Alfred** and **Queency** are hard-working. They always try their best!

Cyrus, **Hayden** and **Howard** have sense of humor. They tell me jokes and make me laugh.

All of you are awesome! I am so proud of you! Keep it up!

Cheers,

Miss Chu
